St. Louis, MO

Dear Mark,

On behalf of our Board of Directors, practitioners, industry partners, and students, we are most grateful for your hospitality and opening your home to ASID members.

Your property is a remarkable find with the beautiful views of the Mississippi. The house is wonderfully equipped and laid out for entertaining. It is obvious that Don Occhi, ASID, and you had a great working relationship. He was really able to enhance and display your whimsical, contemporary style.

We are proud of our association with ASID, and thank you for sharing in our vision to keep our qualified interior designers at the forefront of the interior design industry.

We appreciate your generosity and involvement in the society.

Sincerely,

Julie Rooney, ASID
