OUR SERVICE PLEDGE

1. When you call The Bluffs on Broadway for information you will speak to one of the owners, not an impersonal recording requiring you to leave a message and wait for a return call.

2. Should you decide to schedule a site tour, it will be conducted at your convenience with the owner or one of the operators so any concerns or questions you may have can be addressed immediately. No waiting for the dreaded "Someone will have to get back to you on that."

3. Either Mark, Deborah or Joe will be there on the day of your event. This personal attention to detail and the long tenure of our staff will deliver you the smooth running event you deserve.

OUR PRIVACY PLEDGE

We appreciate that your event is one of the most important and special days of your life. Therefore....

1. We dedicate our entire estate to one event at a time.

2. Your venue will not be competing with the noise, traffic or wandering guests from other events across the hall or from the next floor.

3. The event you have planned will receive the absolute privacy, respect and personal attention it deserves. You should expect and we will deliver nothing less.
